**Notes:**

- This permit is issued under the provisions of chapter 27 of the current edition of the Kentucky Building Code (KBC). The applicant agrees to comply with all applicable construction permit requirements including but not limited to building, zoning and electrical codes. All applicable documents as per section 2703 must be provided to the electrical inspector upon request. Violation, or misrepresentation, of the application shall void the permit and the applicant shall be subject to the penalty prescribed.
- The applicant agrees to relieve the City of Winchester and the County of Clark Kentucky from all responsibility for damages or accidents caused by negligence.
- Business License is required for work in the City of Winchester.
- An owner or farmer is only exempt from the requirement of an electrical license when the owner or farmer is doing the construction, alteration, or repairs of an electrical system themselves and it is being done on his or her own premises in accordance with KRS 227.480(2)(a).

I do hereby certify that the information contained herein is true and correct.
