

# MAIN STREET HIGH SIDE PROJECT UPDATES

## Welcome to the Main Street High Side Project Newsletter!

The goal of this newsletter is to keep our community informed about the progress of the Main Street High Side Project. This newsletter will include regular construction updates, answers to frequently asked questions and provide important contacts for those desiring more information.

[VISIT THE HIGH SIDE PROJECT WEBSITE](#)

## What is the High Side Project?

The Main Street High Side Project is a City of Winchester project to make improvements on the High Side of Main Street (the side with steps) between Broadway Street and Lexington Avenue.

The goal of the project is to improve access for all users and enhance safety, mobility and the appearance of downtown Winchester.

# NEW PROJECT NOTES

## Garbage pickup

Winchester Municipal Utilities is recommending an adjustment to garbage pickup for the businesses impacted on the High Side of Main Street between Broadway Street and Lexington Avenue. With access being limited on Main Street, WMU is asking customers with rear access to utilize Church Alley for garbage pickup. Pickup on Church Alley will occur daily Monday through Friday. If you do not have a curb-it, do not have access to Church Alley and/or have questions or concerns, please call 859-744-5434.

## Sidewalk access

Currently, sidewalk access from Broadway Street is closed on the High Side. Sidewalk access from Lexington Avenue remains open. Those visiting the High Side should plan to enter from the Lexington Avenue ramp.

Construction check-ins are scheduled to happen every two weeks. Updates will be provided through this newsletter and on the City of Winchester, KY Community Information Facebook page.
