What is the High Side Project?

The Main Street High Side Project is a City of Winchester project to make improvements on Main Street between Broadway Street and Lexington Avenue.

The Main Street High Side Project represents a transformative investment in the heart of Downtown Winchester. By revitalizing infrastructure, enhancing pedestrian safety and improving accessibility, this project strengthens the historic charm and economic vitality of the Main Street corridor.

The improvements support local businesses by creating a more inviting and walkable environment, encouraging increased foot traffic and tourism. Additionally, upgraded ramps and sidewalks will contribute to a safer, more attractive public realm for residents and visitors.

NEW PROJECT NOTES

High Side Project Progresses Toward Final Phase

Work continues on the Main Street High Side Improvement Project.

Most of the concrete work has been completed, handrails are being painted in preparation for delivery and installation, landscaping efforts are ongoing, and crews are planning the final tasks to be completed in the area between Broadway and Court Street on the low side.

The final phase of the project will involve milling and paving the roadway.

The project remains on schedule.

Have a question?

Use the button below to access a form to ask questions about the project. Someone will contact you to provide more information.
